Harshit CHAMBERS

About us

Shri Subodh Singhania
Chairman & Managing Director

Singhania Buildcon Group

Creating a niche in the hearts of people in a constantly challenging real estate market Singhania Buildcon Pvt. Ltd. headed by a visionary Chairman and Managing Director Mr. Subhodh Singhania. The company has been growing by leaps and bounds with his in-depth knowledge of the real estate market and total dedication to turn landscaped projects in Raipur.

Singhania Buildcon Group has an enviable track record and the saga of success it has weaved in a short span has been remarkable. With the completed projects like Harshit Nagar, Archees Real Estate, Harshit Royal Regency, Harshit Diamond Tower,Harshit Tower C Complex, Harshit Ratna, Harshit Vihar and Shyam Chambers standing as testimony to the dedication and relentless hardwork of the company in offering a place called "Home" for its investors and residents. The projects speak for themselves the brillance and opulence of these residential enclaves reflect the spirit of Singhania Buildcon Group and ingranined desire for " creating international quality residential spaces" for the residents of Raipur.

Sighania Buildcon Group with its list of excellent clientele has ben garnering support and trust from the blue chip companies like BSP, Vedanta Aluminum, NTPC, CSEB and good bussiness class people to name a few. Needless to say that the quality and sophistication of the project developed by the company has attracted this very high profile target audience to invest in the projects.

Singhania Buildon Group has been instrumental in creating landmark residential projects in Raipur using high quality construction material, detailed engineering plans and the best human resource to help its objective in all spheres of its business activities. Singhania Buildcon Group with its employee strength of over 100 members has a exclusive well trained team in each spher of its business operation be it engineering, marketing, customer support, architecture, account, human resources, system administration or front office and back office operations. Qualified and well established icons in the world of real estate business head each of these teams. The company has also invested highly into projects, vehicles, office space, land and the state of the art technology to enable it to do business with world class sophistication.
